## School for Abundant Living Spring Quarter News

With one more quarter in this “school year” we are close to the end of 2015-2016. Our winter quarter ends on March 9th and we have a two week break from classes. On March 16th, we will have dinner as usual, followed at 6:30 p.m. by a special Community Crime Prevention meeting brought to us by the JSO (see related article). This will be timely and important information and we hope people from the community, as well as many of our own members, will join us that night. We encourage you to bring friends and neighbors. During Holy Week, our dinner will be moved to Maundy Thursday, followed by our Maundy Thursday service. There will be opportunities to register at “Early Bird” prices all evening on March 9th and before dinner on both March 16th and on Maundy Thursday.

New classes begin on March 30th and run straight through for seven weeks, ending on May 11th. Below is a listing of the classes planned. Please find a class and join others as we strive spiritually, physically, emotionally and mentally to “live life and live it abundantly.” Every Class (except Faith Discovery) receives a \$5.00 discount for registering before March 30th

**Quilting** with Shirley Davis \$20.00

**Faith Discovery** – The Parables of Jesus with Lib Creech who describes the study as follows -

“We will be watching a video that offers seven short dramas portraying the parables through the lens of Bible times. Each parable story comes with discussion questions before and after viewing the video. We will study one parable each week. A book does not come with this study, but there are many books available on the parables. The parables we will be studying are: The Good Samaritan, The Unmerciful Servant, The Treasure and the Pearl, The Lost Son, The Midnight Visitor, The Dinner and The Manager.” \$5.00 (no discount)

**Introduction to Golf** with Jim Allen – a fun and relaxed atmosphere to talk about rules, club selection and the “ins and outs” of the game and practice putting indoors and driving with practice whiffle balls in Riverside Park as weather allows. This class is for experienced golfers and those who want to learn more about the game. This is at the response from several members to be better prepared for the Fall Golf Tournament. Jim has plenty of clubs and other supplies if you don’t have any. Hopefully the group will pick a Sat. or Sun. afternoon to meet at Hyde Park and practice on the putting green and driving range and play a round at some point. \$10.00
